Additional Documents (SEE NOTES BELOW)	Submit with this form?
Institute Purchase Order	In all cases where a cost is involved
Export Customer Use Questionnaire	First order where member has no licenses of any type this vendor via EUROPRACTICE
End Usage Statement (Research Laboratory Members only)	Where Research Laboratory member is ordering Simpleware

Links to the above documents can be found under the Ordering menu (see "How to Order") in this vendor's EUROPRACTICE web page, accessible via our homepage <https://www.europractice.stfc.ac.uk> Details on how orders are processed are at https://www.europractice.stfc.ac.uk/tools/how_to_order_details.html

We no longer need to insist on paper copies of documents for this vendor so **ALL DOCUMENTS should be e-mailed to MicroelectronicsCentre@stfc.ac.uk** A good quality colour scanned PDF copy of the Export Document, if applicable, is needed

Deadline for receipt of ALL required documentation is 25th Day of Month. Missing items may delay placement of your order with the vendor potentially for several weeks

One-off License / Rehost Charges		Quantity License Packs/Rehosts	Unit cost EURO License Packs /Rehosts	Total Cost EURO Licenses Packs /Rehosts
Simpleware (SIMPL)	Pack of 50 Licenses			
Rehost			100	
A: Total License/Rehost Charges				

Annual Charges	Unit Cost EURO Annual Charge	Total Cost EURO Annual Charge
Simpleware Annual Charge Per Pack of 50 Licenses	1350	
B: Total Annual Charges		
Grand Total A+B (EURO)		

Right to use, upgrades and technical support are provided by annual charge payment, compulsory for each year of use of a package, including the first.

(Note 1) Commitment of annual charge for all License orders is mandatory

(Note 2) Simpleware is free of one-off license charges and an annual charge only applies. The license keys run 1st January through to 31st December. In your first year, your licenses will be less than 12 months duration to synchronise to this annual cycle. Purchase Order commitment should be pro-rata and based on whole months remaining in calendar year at time order is raised. Invoice will reflect the correct number of months of usage available via first keys (invoiced amount may be less than Purchase Order commitment)

We recommend that if you are ordering in the latter half of the year that your Purchase Order also commits the full year fee for the following year's licenses in addition to the pro-rata cost for current year

Design tool Ordering information at: https://www.europpractice.stfc.ac.uk/tools/how_to_order_details.html. For advice on who an Institution's EUROPRACTICE Representative is, on an Institution's current design tools holdings, and for all other EUROPRACTICE support enquiries, please e-mail MicroelectronicsCentre@stfc.ac.uk

PLEASE COMPLETE ELECTRONICALLY

Fill & Sign in the free Adobe Acrobat Reader DC is recommended [click for guidance](#)

DECLARATION

I acknowledge that I understand that the following terms apply to this order for Simpleware software products:

Simpleware ScanIP Academic is intended for non-medical use and non-clinical research use only. FDA 510(k) clearance and EEA/UK CE marking certification for use as a medical device is therefore not required and has not been obtained for the software products in this order. The software products in this order must not to be used, and are not intended to be used, for any medical or clinical purpose whatsoever. It is the sole responsibility of the Customer to ensure the software is used in accordance with the local regulations of the countries (a) where the products in this order are used or (b) the output of their results is exported to, including without limitation in relation to data privacy requirements.

Simpleware AS Ortho is intended for non-medical use and non-clinical research use only. It is therefore not required to be and has not been cleared for use as a medical device in accordance with U.S. Food & Drug Administration (FDA) 510(k) or EEA/UK CE marking standards. It is the sole responsibility of the Customer to ensure the software is used in accordance with the local regulations of the countries (a) where the products in this quotation are used or (b) the output of their results is exported to, including without limitation in relation to data privacy requirements.

Simpleware AS Cardio is intended for non-medical use and non-clinical research use only. It is therefore not required to be and has not been cleared for use as a medical device in accordance with U.S. Food & Drug Administration (FDA) 510(k) or EEA/UK CE marking standards. It is the sole responsibility of the Customer to ensure the software is used in accordance with the local regulations of the countries (a) where the products in this quotation are used or (b) the output of their results is exported to, including without limitation in relation to data privacy requirements.

Simpleware Design Link Academic is not available with the Linux Operating System version of Simpleware.

I will keep full and accurate records of all persons that will be given access to the Simpleware products

SERVER INFORMATION FOR LICENSE PURCHASES Please duplicate this page and use a separate copy for each different license server.

Server Identification (Notes 8, 9 and 10)												Server Machine Type & Operating System	
#1													
#2													
#3													

License bundle name	Previous number of seats on server	Number of seats being purchased	Total number of seats on server
Simpleware (SIMPL)			

In this box please confirm the actual physical location (geographic address) of the above server(s):

Note 8: Server Identification. For license key file generation only. Please see website for details of the supported platform of the individual Synopsys tools.

PC Linux:

1. Find the device name: `ip route list | grep default`
(The device name is what follows the keyboard dev. If this returns nothing then please contact us for further assistance)
2. Find the host ID: `ip link show <device name> | grep ether`

PC Windows:

1. From MSDOS window, type: `ipconfig /all`
2. Find the line "Physical address"

The required ID is 12 Hex characters long (ignore any hyphens)

Note 9: Intel processors. Licensing on machines with Intel processors requires that these are Pentium IV or later architecture processors. Licensing from Intel Pentium III and earlier Intel processor architectures is not supported by Synopsys License server daemons.

Note 10: Server Configuration. Synopsys supports either a single license server or three license servers operating as a voting cluster. In the case of a three server configuration, the license server remains active if two machines remain operational although all three machines are required to be operational for the license server to start initially. Please specify either a single license server or three license servers to operate as a cluster.

SERVER INFORMATION FOR LICENSE REHOSTS

License bundle name	OLD server information								Number of seats to transfer – please specify number	NEW server information																	
	Server Identification (Notes 8, 9 and 10 on Page 4)									Number of seats served		Server Identification (Notes 8, 9 and 10 on Page 4)								Server machine type & Operating System		Number of seats served					
										Before	After									Before	After						
SIMPL	#1											#1															
	#2											#2															
	#3											#3															

Please duplicate this page and use a separate copy for each different license server rehost request

In this box please confirm the actual physical location (geographic address) of the **NEW** server(s) above:

Declaration
 (Required to be completed for all license server rehosts orders only)

I certify that upon receipt of the license key file enabling the above design tools on the “NEW” license server(s) I will remove and cease to use the licenses on the “OLD” license server(s).
